WHO WE ARE

“Think HR Solution Partner Think Prime Overseas Recruitment Consultant” Your Glo CAL (Global Local) HR Solution Partner. Prime Overseas, having a wealth of specialist knowledge and over 15 years of HR services experience. Our ethos is to ‘recruit right people for the right job’ and help our business partner (clients) maximise efficiency and profits whilst saving cost. We are the HR solution consultancy predominantly providing recruitment & Visa services to Oil & gas refineries, hospitality, healthcare, retailing, constructions, textile, food, confectionary and manufacturing industry. We are pioneer in recruiting labour categories from different parts of India, Bangladesh, Pakistan & Nepal. We have strong network of associates pan India and capable of handling large, multi-locational overseas recruitment. We have recruited large number of professional, Labour (skilled & unskilled both) for our topmost clients ever since we began our journey. We take commitment very seriously and put our best to deliver results beyond expectations. We deserve to be your chosen partner in your business endeavour.

DIRECTOR'S MESSAGE

Welcome to Prime Overseas Recruitment Consultant, India's fastest growing manpower recruitment agency, supporting Companies, government & non-government organisation across many countries. With our Constant recruitment innovation techniques, internal database, Training centres and highly professional teams primed your search for HR solutions partner definitely ends here. We always believe there is no shortcut to success, Dedication, perseverance; trusts and truthfulness to the client (business partner) is the only key to become pioneer. We believe "If you lost money, you lost something, if you lost trust, you lost everything". Prime Overseas Recruitment Consultant established with the conviction to cater full spectrum of HR solutions by blending resource & technology together for fastest and cost-effective solution. Thanks to our business partners for challenging us. We have grown because your challenge motivates us to "INVENT" and your support motivates us to "INVEST". The world is changing rapidly and good resources have become so critical in the success of any organisation. Every employee irrespective of top position in the organisation is the key to achieve organisational objective by protecting core values, vision and mission and hence "it is imperative that we recognise all employees' contribution irrespective of any job or position and practice flat organisation with bottomup approach. Sound mind source / select / headhunt absolutely right fit to meet client's Top line – Bottom line targets. We not only provide resource to our clientele but also assess and evaluate their growth challenges to provide strategic HR support to transform organisation i.e. change management. Our Services are equally rewarding for jobseekers and ensure that no job seeker is misled, misguided or provided wrong information with regards to the pay scale, working hour, job type and job positions. We thank all our existing clients and jobseekers for the persistent faith on us and we propose/invite new Clients/Jobseeker to associate with us and experience the difference of alliance. We guarantee, with our mode of operations we can beat your expectations and maintain absolute confidentiality.
